

OCCUPATIONAL HEALTH & SAFETY POLICY

Mudex is committed to providing a workplace that is safe and healthy for all who come within our workplace. Mudex recognizes that our people are our most valuable asset and as such we strive to provide them with a safe and productive work environment.

Accordingly, it is Mudex's policy to:

- Provide safe systems of work.
- Provide tools, equipment and machinery that is safe and properly maintained.
- Provide employees with the information, instruction, supervision and training they need to do their job safely without endangering their health.
- Consult with employees through workplace health and safety representatives and the Health and Safety Officer about health and safety issues in the workplace.
- Monitor out workplace regularly and maintain records of findings and improvements.

To ensure workplace health and safety, Mudex requires the commitment of each employee to fulfil their own workplace health and safety obligations by:

- Following instructions and rules in the workplace (eg. Comply with instructions and wear PPE designed to ensure that work is carried out safely).
- Working and behaving in ways which are safe and do not endanger the health and safety of anyone in the workplace.

Workplace Health and Safety is of paramount important and is everyone's responsibility at Mudex. UNSAFE IS UNACCEPTABLE and our employees have the right and obligation to STOP WORK if they observe and unsafe act or situation.
