BIO PIPE FREE

Specialty Product to reverse differential sticking

DESCRIPTION

BIO PIPE FREE is an oil soluble surfactant formulated to remediate differential sticking

APPLICATIONS

BIO PIPE FREE has specifically been developed to free differentially stuck drill pipe.

Designed to be mixed with MUDEX BIO SPOT, a synthetic oil, vegetable oil or non-toxic mineral oil and spotted into the problematic zone where the rods are stuck. BIO PIPE FREE will penetrate the wall cake and reduce the surface area in contact with the hole, once the contact is broken the rods will then pull free.

ADVANTAGES

- Readily biodegradable and environmentally acceptable
- Cost effective option available before resorting to more complicated mechanical means.
- Nontoxic
- Single drum and easy to use
- Compatible with Mudex BIO SPOT and most other nontoxic base oils

TYPICAL PROPERTIES

Physical Appearance	pH
Clear Amber Coloured Liquid	9.2

USAGE

Add 15 – 20 litres of BIO PIPE FREE per 1,000 litres of Mudex BIO SPOT or other nontoxic oil. Spot the mixed fluid into the zone where the rods are stuck.
